Dear Sir/Madam,

Good day.

I am respectfully requesting, under the Freedom of Information (FOI) Program, **aggregated enrollment data per school for both Public and Private Senior High Schools in San Fernando City, Pampanga** for the **most recent available School Year (preferably SY 2024–2025 or SY 2025–2026)**.

The requested information will be used **solely by WCC Aeronautical and Technological College, a new campus yet to open in Clark, for institutional marketing analysis, enrollment forecasting, and educational outreach planning**. This will help us better understand the Senior High School landscape in Pampanga and inform strategies for prospective student engagement.

Specifically, I am requesting the following information **for each Senior High School in San Fernando City**:

1. **Name of School**
2. **Type of School** (Public or Private)
3. Total number of **Senior High School students**
4. Breakdown by:
 - **Grade 12**
5. School year covered
6. Data source (e.g., **Learner Information System – LIS**)

Please note that this request is for **aggregated, school-level data only**, with **no personally identifiable information**, in full compliance with the Data Privacy Act of 2012.

Thank you very much for your assistance. The requested data will greatly support **WCC Aeronautical and Technological College's responsible marketing and enrollment planning initiatives**.

Respectfully,
