Greetings of Peace!

The Candaba Young Artists League, a non-profit organization committed to sharing ideas and artistic talents, has been offering free art workshops since 2013 to develop the skills of pupils in Candaba, Pampanga. We believe that art education is an essential part of a well-rounded education and enables children to express their ideas and strengthens their creativity.

In support of this mission, we respectfully request permission to implement **The ART-REACH Project 2.0: Teaching Arts, Reaching Wider Communities** within your SDO. The program was previously conducted across all 33 barangays and elementary schools of Candaba from August 2023 to September 2025. Owing to its success, we now propose to expand the initiative to serve a wider community throughout the Province of Pampanga, including the City of San Fernando, Pampanga.

Under the proposed plan, the organization will be conducting **free art workshop** at **Mansgold Elementary School**, Sta. Lucia, CSFP on January 31, 2026, from 7:30 AM to 12:00 noon. Participation among pupils is **voluntary**, and the activity will be held on **Saturday** to avoid disruption of regular classes. Participating students will receive free art instruction covering topics such as basic shading techniques, step-by-step drawing of human figures and faces, an introduction to editorial cartooning, essential coloring techniques, and similar skills. The organization will also provide all necessary art materials at no cost.

The undersigned will coordinate directly with the involved school head to ensure the smooth conduct of the workshop and to safeguard student welfare.

We respectfully seek for your support and approval to conduct this project. Thank you for your consideration. May God abundantly bless you.

Sincerely,

RICHARD M. PAYAWAL
